CAPE: COURSE AND PROFESSOR EVALUATIONS

Promote CAPE to increase Response Rates this summer

- **Post** reminders in course syllabi.

- **Emphasize** to students feedback can greatly benefit the future of courses offered at UCSD.

- **Include** a link to the evaluation page in course assignments, emails, and study guides. This will encourage students to follow up on completing the evaluation form.

- **Announce** CAPE deadlines to students. Remind them of upcoming evaluation emails.

- **Submit** custom questions you would like your students to answer by emailing cape@ucsd.edu.

- **Develop** custom student evaluations as a substitute for CAPE online
