Get ahead this Summer!

Summer Session is committed to helping all UC San Diego students achieve academic excellence in their education.

Summer Success Programs (SSP) for incoming freshmen & transfers are designed to help students make the transition to UC San Diego’s intensive quarter system. SSP for continuing sophomores has an emphasis on improving retention and academic skills needed to maintain time-to-degree.

*NEW* SSPs this summer:
- Triton Prep Program (for incoming freshmen)
- Summer Academy in the Humanities (for incoming transfers)
- Triton Sophomore Scholars Program (for continuing sophomores)

To learn more & see a full list of programs, visit the SSP webpage (new page launching this Thursday April 6th)

Schedule of Classes Update

Instructor names will be added to the Schedule of Classes after they accept their appointment letters. We have 213 acceptances so far, and more are coming in every day!
Weekly updates will post to the Schedule of Classes by Thursday, so check back at the end of the week to see the latest and greatest.

Student enrollment begins in 2 weeks on Monday, April 17th.

Visiting Students & Preauthorization

Every summer, 500+ visiting students from other UC campuses, CSUs, 4-year universities, community colleges, high schools, and other countries enroll at UC San Diego. Visiting students do not have academic records on our campus, so they require dept. preauthorization to enroll in courses with prerequisites.

Departments & programs will begin to see preauthorization requests from visitors this month. Log-in to the Preauthorization System.

Visiting student enrollment begins in 3 weeks on Monday, April 24th
