COURSES

1. INSTRUCTIONAL SCHEDULING ASSISTANT (ISA) FOR SCHEDULING SUMMER SESSION COURSES
   All departments will use the Instructional Scheduling Assistant (ISA) to propose and schedule Summer Session 2019 courses. In other words, any department that needs to list summer courses on the Schedule of Classes, to reserve classroom space for courses, and to pay instructors will be using the ISA.

   The ISA is a web-based application for departments, divisions and units designed to streamline the class scheduling process. The ISA was developed as part of the process improvement efforts across campus.

   The ISA is available to all departments and programs at the following link:
   [http://instructionalscheduling.ucsd.edu/](http://instructionalscheduling.ucsd.edu/)

   Need help getting started with the ISA?
   • Visit the ISA team open office hours: [http://academicaffairs.ucsd.edu/resource-admin/dad/isa/training.html](http://academicaffairs.ucsd.edu/resource-admin/dad/isa/training.html)
   • Schedule an in-person or classroom-style ISA training session for your schedulers or instructors, please contact Katie Frehafer at kfrehafer@ucsd.edu, or x43112.

2. REMINDER TO PLAN AHEAD FOR SUMMER HOLIDAY MAKE-UP SESSIONS
   Campus is closed on Independence Day (July 4th) and Labor Day (September 2nd). Please plan ahead and schedule any student make-up sessions before your courses are posted on Schedule of Classes.

   Please contact Matthew Sapien (x44744 or summer-scheduling@ucsd.edu) Administrative Assistant, for questions regarding course planning and scheduling.

FACULTY

1. MAXIMUM COURSE SALARY HAS INCREASED FROM $10,000 TO $12,000.
   Faculty may now earn up to $12,000 to teach a Summer Session course. Course salaries (for course with 3+ Units) are still calculated as 8.5% annual academic year salary, but the maximum payment has increased from $10,000 to $12,000. Summer Session appreciates the support from campus to increase the compensation for our talented faculty.
2. **TEACHING + LEARNING COMMONS OFFERS SERVICES TO SUMMER SESSION INSTRUCTORS**
Reminder that the Engaged Teaching Hub at the Teaching + Learning Commons offers services to instructors through the summer, including a weekly Summer Teaching Community Workshop series, teaching consultations, and classroom observations. This support is available to visiting instructors as well as UC San Diego faculty. Visit the Teaching + Learning Commons website for more information.

**STUDENTS**

1. **SUMMER SESSION IS MODIFYING PROCESSES TO ALIGN WITH THE ACADEMIC YEAR.**
   
   a. Applications for enrollment in Special Studies Courses will use EASy (Enrollment Authorization System).
      
      To streamline the enrollment process, the campus is directing students to begin submitting Special Studies applications online via EASy in Winter Quarter. Summer Session will also direct student to use EASy for Special Studies requests during the summer terms. Instructions on using EASy for Special Studies requests can be found at: https://academicaffairs.ucsd.edu/Modules/Students/PreAuth/Documents/EASy_Special_Studies_Instructions_Instructor.pdf.

   b. **New deadlines for dropping Summer Session courses with a “W”**.
      
      To align with process changes during the academic year, Summer Session is changing the deadlines for undergraduate students to drop with a “W” or Withdraw. The new Summer Session drop with a “W” dates (set at 3rd week) are equivalent to the start of 5th week and the end of 6th week during Fall, Winter and Spring Quarters.

      A “W” will now be assigned if an undergraduate student drops a Summer Session class between the following dates:
      
      Session 1: July 13-19
      Session 2: August 17-23

2. **“WELCOME TO CAMPUS” VIDEO WILL BE ADDED TO THE SUMMER SESSION APPLICATION.**
   
   Summer Session will be offering a virtual welcome to campus for all Summer Session students. A video containing an overview of campus resources, as well as the Summer Session enrollment process, will be linked directly on the Summer Session student application.

3. **LIVE WEBINARS FOR NEW AND CONTINUING STUDENTS THE SECOND FRIDAY OF EVERY MONTH – STARTING NOVEMBER 9TH.**
   
   New for 2018, Summer Session hosted student webinars for UC San Diego students and visiting high school students. Based on the positive feedback, Summer Session will be hosting ongoing student
webinars the second Friday of every month. One webinar will customize content for UC San Diego students, and a second webinar will act as a recruitment tool for visiting students. The live, interactive format will give students an opportunity to ask questions regarding all aspects of Summer Session (campus life, enrolling in courses, academic support, etc.).
