MANDATORY INSURANCE REQUIREMENT:
As a non-academic condition of enrollment at UCSD, the UC Regents require all registered students to have adequate health insurance coverage and therefore provides the UC Student Health Insurance Plan (UC SHIP), which is a comprehensive health insurance plan. All students, including ICA students, are automatically enrolled in UC SHIP. Students already enrolled in a comparable health insurance plan may waive UC SHIP coverage by completing a Health Fee Waiver application during the FALL 2017 waiver period. Comparable coverage must meet the requirements set by the UC Regents.

Refer to [http://studenthealth.ucsd.edu](http://studenthealth.ucsd.edu) for more information regarding UCSHIP and the Health Fee Waiver. Access the on-line waiver application through the Health Fee Waiver Tool from the TritonLink Homepage during the waiver period (August 1 – September 22, 2017).

EARLY START UCSHIP:
Since your program begins prior to the start of the official campus fall quarter (September 25, 2017), Early Start UCSHIP coverage is being offered to you. **Students electing to waive UCSHIP for fall quarter are not eligible for this Early Start coverage. If you enroll in the UCSHIP Early Start coverage and later waive the UCSHIP during the FALL 2017 waiver period, your waiver will be denied for fall quarter.**

COST OF UCSHIP:
The cost of Early Start UCSHIP is a one-time supplement fee, prorated based on your program start date. This fee (see below) is separate from the quarterly UCSHIP fee of $651.00. If you elect to enroll in the Early Start coverage, the Early Start fee will be charged to your campus billing account. The supplemental Early Start fee will be as follows:
