OASIS Summer Bridge (SB) 2018-19 Student Contract

The OASIS Summer Bridge Program begins with an intensive 5-week residential & academic component in August and continues throughout the academic year, ending in June. Summer Bridge is committed to the overall success of students during their time at UC San Diego. The first academic year is very challenging and can set the tone for an academic career. In order for SB students to get the most out of their first year at UC San Diego, participants are expected to follow through with <u>all academic year services</u>, as outlined below. To be an OASIS SB participant is a privilege (e.g., early registration for Fall, Winter, Spring, plus Fall of sophomore year & priority in OASIS workshops) that can be revoked if provisions are not met. In addition, students should be prepared to include the OASIS Living/Learning Communities into their schedules each quarter of their freshman year.

The Summer Bridge Program contract outlines specific requirements that participants must fulfill to remain in good standing and to continue to receive services. Please review the contract, initial each line, and sign below.

*I agree to regularly attend and participate, each quarter, in OASIS workshops/tutoring sessions in any and all specified areas. The following are OASIS services offered, but are not limited to:

- ELWR workshops through the OASIS Language Arts Tutorial Program (LATS) if I have not fulfilled the UC Entry Level Writing Requirement
- Writing workshops for my college writing courses (if available) and at least 1 individual tutoring session per quarter through the OASIS Language Arts Tutorial Program
- OASIS Math & Science Tutorial Program (MSTP) workshops for any math, chemistry, or physics class I attend my first year

* I understand that I can be excused from this requirement if OASIS does not offer services for subjects that I am taking. If my schedule prohibits me from participating in MSTP workshops, then I understand that I will need to utilize other academic support offered on campus by the Commons, Math, Chemistry, and Physics Departments, respectively, Jacobs School of Engineering, and/or your course teaching assistants. I understand that participation in these resources will be verified. If I need to be excused or accommodations need to be made, I understand that I must contact the Summer Bridge Coordinator to get this excusal or accommodation approved.

I agree to attend and participate in one-to-one sessions with my Academic Transition Counselor (ATC) as scheduled per quarter (usually 3 sessions/quarter).

I agree to regularly attend and participate in the year-long OASIS Learning Community (OLC) Seminars.

I agree to attend and participate in other services as referred by my Academic Transition Counselor, other Summer Bridge Program staff, and other OASIS units.

I am responsible for filling out all pertinent paperwork, evaluations, follow-up surveys, and will notify the SB professional staff of any changes in my telephone, e-mail, or current/permanent address.

During my transition to UC San Diego, I agree to engage in campus activities that will complement my academics, and avoid activities that may negatively impact my academic success.

I understand that Summer Bridge is a year-long process and that fulfilling these requirements is critical to my academic success at UC San Diego.

By initialing above and signing below, I commit to complete the entire year-long Summer Bridge Program. I understand that by meeting the conditions of this contract I will be granted early enrollment in classes, as well as priority enrollment in OASIS tutoring and workshops throughout my entire first year. If I fail to meet these conditions, these privileges will be revoked.
